

Fingerprint Requirement for Licensees and Registrants

As a result of the adoption of [new regulations](#), all licensees and registrants who have previously not submitted fingerprints as a condition of licensure or registration for the BBS, or for whom fingerprints do not exist in the DOJ's criminal offender record identification database, must do so prior to their next renewal date occurring on or after October 31, 2009. Failure to comply with this requirement can result in disciplinary action or the issuance of a fine of up to \$5,000.

1. *How do I determine when I need to get this done?*

The expiration date on your license or registration will determine when you need to comply. For example, if you have an expiration date of March 31, 2010, you need to submit fingerprints by March 31, 2010 since this is your first expiration date after October 31, 2009.

If your expiration date *is* October 31, 2009, you must submit fingerprints by October 31, 2009. The language of the regulation specifically refers to renewal dates **on or after** October 31, 2009.

The BBS is sending out a courtesy notification to all individuals who need to comply approximately 90 days in advance of your expiration date (see question four). **Please keep your address of record updated so that you receive the notification.**

2. *I remember getting fingerprinted using the ten-print fingerprint card method with my initial application to the BBS, do I still have to get fingerprinted again using the Live Scan method?*

Yes. If you completed fingerprints for the BBS using the ten-print fingerprint card method with your initial application, you will have to fingerprint again for the BBS using the Live Scan electronic submission method in order to establish a record in the DOJ's criminal offender record identification database.

3. *Do I need to send the proof of completion in with my renewal? Where do I send the proof of completion?*

No. Your renewal date establishes your deadline to submit the required fingerprints, but you will not need to do anything different when you renew your license or registration. Simply complete the application for renewal and send it in with the appropriate fee. **Do not include proof of completion of the fingerprint requirement with your application for renewal.**

You should submit proof of completion of this requirement to the BBS as soon as possible after having your fingerprints taken. You are required to retain a copy of proof of completion for your records for at least three years.

4. *How do I get the appropriate forms to complete the requirement?*

The BBS will include the appropriate forms in your notification. If you misplace the forms or believe your notification was lost in the mail, please email the BBS at bbswebmaster@bbs.ca.gov to receive the forms. For your reference, the schedule of notification mail-out dates is below. Please reference your current expiration date to determine when you will receive notification.

Quarter	First Exp Date	Last Exp Date	Mail-out Date
1	10/31/2009	12/31/2009	7/15/2009
2	1/31/2010	3/30/2010	10/31/2009
3	4/30/2010	6/30/2010	1/31/2010
4	7/31/2010	9/30/2010	4/30/2010
5	10/31/2010	12/30/2010	7/31/2010
6	1/31/2011	3/30/2011	10/31/2010
7	4/30/2011	6/30/2011	1/31/2011
8	7/31/2011	9/30/2011	4/30/2011

5. *I just got my fingerprints done for a new job. Do I need to get them done again?*

Yes. Third parties are not allowed to share confidential fingerprint information, so you will need to submit fingerprints through the DOJ for the BBS even if you have recently been fingerprinted for employment purposes.

6. *What do I do if I have already submitted fingerprints to the BBS using the Live Scan method?*

You will not receive a courtesy notification if you used the Live Scan method and currently have a record in the DOJ's criminal offender record identification database. If you believe you need to comply, but did not receive a notification in the mail within 90 days of your expiration date, please contact the BBS at bbswebmaster@bbs.ca.gov or (916) 574 – 7859.

7. *I reside outside of California, how will I comply?*

If you reside outside of California, you will not be able to complete the requirement using the Live Scan method. You will need to complete the requirement using ten-print fingerprint cards. Please contact the BBS at bbswebmaster@bbs.ca.gov or (916) 574 – 7859 to obtain the necessary materials to complete this requirement using ten-print fingerprint cards.

If you have additional questions or require more information. You can also email the BBS at bbswebmaster@bbs.ca.gov or call the Fingerprint Unit at (916) 574 – 7859.

§1887.1. LICENSE RENEWAL REQUIREMENTS

(a) Except as provided in Section 1887.2, a licensee shall certify in writing, when applying for license renewal, by signing a statement under penalty of perjury that during the preceding renewal period the licensee has completed thirty-six (36) hours of continuing education credit as set forth in Sections 4980.54 and 4996.22 of the Code. (b) A licensee is exempt from the continuing education requirement if their license is inactive pursuant to Sections 4984.8 and 4997 of the Code. (c) A licensee may submit a written request for exception from the continuing education requirement for any of the reasons listed below. (1) For at least one year during the licensee's previous license renewal period the licensee was absent from California due to military service;

(2) For at least one year during the licensee's previous license renewal period the licensee resided in another country; or

(3) During the licensee's previous renewal period, the licensee or an immediate family member, where the licensee has primary responsibility for the care of that family member, was suffering from or suffered a disability. A disability is a physical or mental impairment that substantially limits one or more of the major life activities of an individual. The disability must be verified by a licensed physician or psychologist with special expertise in the area of disability. Verification of the disability must include:

(A) the nature and extent of the disability;

(B) an explanation of how the disability would hinder the licensee from completing the continuing education requirement and

(C) the name, title, address, telephone number, professional license or certification number, and original signature of the licensed physician or psychologist verifying the disability.

The course shall be at least seven (7) hours in length and its content shall comply with the requirements of Section 29 of the Code. This is a one-time requirement for those licensees specified above. Equivalent alcohol and other chemical substance dependency courses taken prior to the adoption of these regulations, or proof of equivalent teaching or practice experience, may be submitted to the board upon request in lieu of this requirement; however, this coursework or experience shall not be credited as hours toward the continuing education requirements.

(c) Pursuant to Section 32 of the Code, a licensee shall take a continuing education course in the characteristics and methods of assessment and treatment of people living with human immunodeficiency virus (HIV) and acquired immune deficiency syndrome (AIDS) during their first renewal period after the adoption of these regulations.
